In the face of unspeakable horrors, the human spirit finds ways to endure. 'Did You See Us?', a powerful and emotionally resonant historical novel, transports readers to the darkest depths of the Holocaust and unveils the extraordinary bond between two sisters who must navigate the unimaginable.

As the shadows of war engulf Europe, sisters Anya and Helena find themselves torn from their home and thrust into the heart of a Nazi concentration camp. Amidst the brutality and dehumanization, their unwavering love for one another becomes their beacon of hope.

Through Anya's eyes, we witness the resilience of the human spirit as she fights to protect her younger sister. From the overcrowded barracks to the grueling labor camps, Anya's determination to keep Helena safe knows no bounds. Helena, despite her tender age, displays a remarkable maturity and strength, finding solace in the small acts of kindness that illuminate the darkness.

As the war rages on, Anya and Helena's bond is tested to its limits. They face unimaginable choices that will forever shape their lives. Yet, even in the most desperate of times, their love for each other remains an unbreakable force.

'Did You See Us?' is a testament to the power of human connection and the enduring bonds that can sustain us through even the darkest of times. It is a story that will linger in your heart long after you turn the final page.
