

Embark on a Neural Odyssey: 26th International Conference ICONIP 2024 Sydney, NSW, Australia, December 12-15

Prepare to witness the convergence of brilliant minds and groundbreaking ideas at the 26th International Conference on Neural Information Processing (ICONIP 2024), held amidst the vibrant backdrop of Sydney, Australia. From December 12-15, 2024, the world's leading researchers, industry experts, and aspiring scholars will gather to share their latest breakthroughs and insights in the rapidly evolving field of neural information processing.

ICONIP has long been recognized as a premier forum for fostering advancements in artificial intelligence (AI), machine learning (ML), computer vision, natural language processing, and other cutting-edge technologies. This year's conference promises to surpass all expectations, offering an unparalleled platform for knowledge exchange, collaboration, and scientific discovery.

ICONIP 2024 is honored to feature an exceptional lineup of keynote speakers, renowned for their visionary contributions to neural information processing:

Neural Information Processing: 26th International Conference, ICONIP 2024, Sydney, NSW, Australia, December 12-15, 2024, Proceedings, Part III (Lecture Notes in Computer Science Book 11955)

These luminaries will share their profound insights into the latest advancements, challenges, and future directions in neural information processing, inspiring attendees and shaping the research agenda for years to come.

The ICONIP 2024 technical program will showcase a meticulously curated selection of research papers, covering a broad spectrum of topics within neural information processing, including:

In addition to the main conference program, ICONIP 2024 will host a series of specialized workshops and tutorials, providing attendees with opportunities to delve deeper into specific areas of interest and acquire hands-on experience with cutting-edge technologies.

These sessions will be led by renowned experts in their respective fields, offering participants invaluable insights and practical skills.

The conference exhibition will showcase the latest products and services from leading companies in the neural information processing industry. Attendees will have ample opportunities to network with potential

collaborators, explore new technologies, and discover innovative solutions to their research and application challenges.

Sydney, Australia, offers an ideal setting for the 26th International Conference ICONIP 2024. Renowned for its stunning natural beauty, world-class cultural attractions, and vibrant culinary scene, Sydney provides a captivating backdrop for an unforgettable conference experience.

- **Paper Submission Deadline:** March 15, 2024
- **Notification of Acceptance:** June 15, 2024
- **Camera-Ready Paper Deadline:** July 15, 2024
- **Conference Dates:** December 12-15, 2024

Early registration is now open. Secure your place at the 26th International Conference ICONIP 2024 today and take advantage of discounted rates.

Be a part of the transformative journey at ICONIP 2024. Engage in thought-provoking discussions, forge meaningful connections, and witness the unveiling of groundbreaking advancements in neural information processing.

Register now and prepare to embark on a neural odyssey that will shape the future of technology and human ingenuity.
