In her captivating memoir, *He Still Speaks*, Savannah Sibert invites us on an extraordinary journey into the realm of the supernatural.

From a young age, Savannah experienced unexplained phenomena that challenged her understanding of the world. Voices whispered in her ear, objects moved on their own, and she witnessed visions that seemed beyond the realm of the ordinary.

As she grappled with these experiences, Savannah sought answers in the Bible, only to find that her faith and her paranormal encounters often clashed. Determined to reconcile her spiritual beliefs with the inexplicable events in her life, she embarked on a quest for understanding.

With raw honesty and vivid storytelling, *He Still Speaks* recounts Savannah's encounters with angels, demons, and the spirit world. She shares her struggles to discern between the voice of God and the whispers of deception, and reveals the profound lessons she learned about the power of faith, forgiveness, and the transformative nature of the supernatural.

This deeply personal narrative is not merely a collection of paranormal experiences. It is a testament to the enduring power of faith, even in the face of the unknown. Savannah's journey will challenge your preconceptions, ignite your imagination, and leave you with a newfound sense of wonder and awe.
