Emma has always been a good girl. She's followed the rules, worked hard, and never caused any trouble. But when she meets a charming and reckless man named Jack, she finds herself breaking all her own rules. They fall in love and have a whirlwind romance, but their relationship is soon tested by Jack's demons.

Emma tries everything she can to help Jack, but he's determined to self-destruct. Eventually, she makes the difficult decision to leave him. But the years go by and Emma can't help but wonder what would have happened if she'd stayed with Jack. If she'd loved him harder. If she'd been more patient.

Now Emma is forty, divorced, and starting over. She's finally found a new man who makes her happy, but she can't shake the feeling that she's made a terrible mistake. Should she have stayed with Jack? Was she meant to be with him? Or is she better off without him?
