### **What's Inside Master Minds?**

Master Minds is divided into six chapters, each covering a different aspect of the rock era:

1. **The British Invasion:** From the Beatles to the Rolling Stones, the British Invasion changed the face of rock music forever. Test your knowledge on the bands, albums, and songs that defined this era.
2. **The Psychedelic Revolution:** The 1960s was a time of experimentation and innovation in rock music. From Jimi Hendrix to Pink Floyd, psychedelic rock pushed the boundaries of music and culture. See how much you know about this mind-bending era.
3. **Classic Rock:** The 1970s saw the rise of classic rock bands like Led Zeppelin, Aerosmith, and Queen. These bands created some of the most iconic rock songs of all time. Test your knowledge on the albums, songs, and tours that made this era so memorable.

4. **Prog Rock:** Progressive rock was a complex and ambitious genre that emerged in the 1970s. Bands like Yes, Genesis, and King Crimson pushed the boundaries of rock music with their long songs, complex arrangements, and philosophical lyrics. See how much you know about this fascinating genre.
5. **Glam Rock:** Glam rock was a flamboyant and androgynous style of rock that emerged in the early 1970s. Bands like David Bowie, T. Rex, and Roxy Music brought a new level of theatricality to rock music. Test your knowledge on the artists, albums, and songs that defined this era.
6. **Punk Rock:** The 1970s also saw the rise of punk rock, a raw and aggressive genre that rejected the excesses of the classic rock era. Bands like the Sex Pistols, the Clash, and the Ramones changed the face of rock music once again. See how much you know about this influential genre.
