Key Themes and Contents

The book is organized into three main sections, each addressing a distinct aspect of the relationship between the cult of the Virgin Mary and Romance languages:

1. **Marian Devotion in Medieval Vernacular Literature:** This section examines the ways in which the Virgin Mary was portrayed in medieval vernacular literature, focusing on the evolution of Marian imagery, the development of Marian cults, and the role of vernacular languages in spreading Marian devotion among the laity.
2. **The Virgin Mary and Courtly Love:** This section explores the complex relationship between Marian devotion and courtly love in medieval literature. The authors investigate the ways in which the Virgin Mary was invoked in courtly romances, examining how her image and attributes influenced the ideals and practices of courtly society.
3. **The Virgin Mary and Arthurian Legends:** This section delves into the connections between Marian devotion and the Arthurian legends, particularly in French and Italian literature. The authors analyze the role of the Virgin Mary in the development of Arthurian narratives, exploring how her presence and influence shaped the themes and characters of these legendary tales.

Throughout the book, the authors draw upon a wealth of primary sources, including manuscripts, early printed books, and archival documents, to

present a multifaceted and historically grounded account of Marian devotion in Romance languages.
