The book is divided into three parts. The first part introduces the concept of constitutionalism and discusses the different theories of constitutionalism. The second part examines the different ways in which constitutions are designed and implemented in different countries. The third part explores the relationship between constitutions and democracy, citizenship, and human rights.

Modern Constitutions is an essential resource for students of constitutional law, political science, and history. It is also a valuable resource for anyone interested in the role of constitutions in modern society.
