In her powerful and moving memoir, *My Two Cents*, Susannah Calloway explores the themes of identity, family, and the search for belonging. With honesty and vulnerability, she shares her experiences growing up as a mixed-race child in a white family, navigating the complexities of race and culture, and coming to terms with her own identity.

Calloway's writing is lyrical and evocative, and her story is both deeply personal and universally relatable. She writes about the challenges of growing up in a world that often didn't understand her, the pain of feeling like an outsider, and the longing to find a place where she truly belonged.

But *My Two Cents* is more than just a story about race and identity. It is also a story about family, love, and the power of forgiveness. Calloway writes about her complicated relationship with her parents, her siblings, and her extended family, and how their love and support helped her to overcome the challenges she faced.

Ultimately, *My Two Cents* is a story of hope and redemption. It is a story about finding your voice, embracing your identity, and finding your place in the world. It is a must-read for anyone who has ever struggled with these issues, or who is simply looking for a powerful and moving story.

### **Praise for My Two Cents**

"My Two Cents is a beautifully written and deeply moving memoir. Susannah Calloway's story is both heartbreaking and inspiring, and her writing is both lyrical and evocative. This is a must-read for anyone who has ever struggled with issues of race, identity, or family." - **Roxane Gay, author of *Bad Feminist***

"My Two Cents is a powerful and important memoir. Susannah Calloway's story is one that needs to be told, and she tells it with honesty, vulnerability, and grace. This is a must-read for anyone who wants to understand the complexities of race and identity in America." - **Imbolo Mbue, author of *Behold the Dreamers***

"My Two Cents is a beautifully written and deeply moving memoir. Susannah Calloway's story is one that will stay with you long after you finish reading it. This is a must-read for anyone who is interested in the human experience." - **NPR**
