

Original Politics: Making America Sacred Again

In his new book, *Original Politics: Making America Sacred Again*, David Azerrad argues that the key to restoring America to its former greatness lies in a return to the principles of the Founding Fathers. Azerrad traces the history of American political thought from the Puritans to the present day, showing how the nation's founders believed that America was a sacred experiment, a "city on a hill" that was destined to be a beacon of liberty and hope for the world.

Original Politics: Making America Sacred Again

However, Azerrad argues, the United States has strayed far from its original principles. The nation has become increasingly secularized, and its citizens have lost sight of the importance of religion and morality. As a result, America has become a divided and polarized nation, with its people at odds

over issues such as abortion, same-sex marriage, and the role of government.

To restore America to its former greatness, Azerrad argues, we must return to the principles of the Founding Fathers. We must rediscover the importance of religion and morality, and we must recommit ourselves to the principles of liberty, equality, and justice for all.

Original Politics is a timely and important book that challenges us to rethink our understanding of American politics. Azerrad's insights are sure to provoke debate, but they are also essential reading for anyone who wants to understand the history of our nation and its future.

About the Author

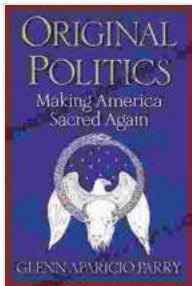

David Azerrad is a political scientist and author. He is a professor of political science at Hillsdale College and the author of several books, including *The Ideological Origins of the American Revolution* and *Lincoln's Legacy: The Triumph of the American Idea*.

Reviews

"*Original Politics* is a must-read for anyone who wants to understand the history of American politics and its future. David Azerrad's insights are sure to provoke debate, but they are also essential reading for anyone who wants to save our nation." - Newt Gingrich, former Speaker of the House

"Azerrad's book is a timely and important reminder of the principles that made America great. He challenges us to rethink our understanding of American politics and to rediscover the importance of religion and morality."
- Dinesh D'Souza, author of *America: Imagine a World Without Her*

"A powerful and persuasive argument for a return to the principles of the Founding Fathers. Azerrad's book is a must-read for anyone who cares about the future of America." - Michael Medved, author of *The American Miracle: Divine Providence in the Rise of the United States*
