Product description

This book explores the evolution of American foreign policy from the end of World War II to the start of the 21st century. It provides a comprehensive overview of the major foreign policy decisions made by the United States during this period, and it analyzes the impact of these decisions on the world.

The book is divided into three parts. The first part examines the early Cold War era, from the Truman Doctrine to the Korean War. The second part covers the Vietnam War and the Nixon era. The third part analyzes the post-Cold War era, from the Reagan administration to the George W. Bush administration.

The book is written by a team of leading historians, and it provides a valuable resource for students, scholars, and anyone interested in American foreign policy.
