The current crisis in Ukraine is the culmination of a long and complicated history. To understand how we got here, we need to go back to the end of the Cold War.

In 1991, the Soviet Union collapsed and Russia emerged as an independent state. The new Russian government was led by Boris Yeltsin, who embarked on a program of economic and political reforms. These reforms were designed to transition Russia from a centrally planned economy to a market economy and to create a more democratic political system.

Yeltsin's reforms were not without their critics. Many Russians felt that the reforms were too radical and that they were causing economic hardship. In 1993, Yeltsin faced a challenge from hardline communists who attempted to overthrow his government. Yeltsin ultimately prevailed, but the crisis showed that Russia was still a deeply divided country.

In 1999, Yeltsin resigned from office and was succeeded by Vladimir Putin. Putin, a former KGB officer, promised to restore Free Download and stability to Russia. He also promised to assert Russia's interests on the world stage.

Putin's early years in office were marked by economic growth and political stability. However, Putin also began to crack down on dissent and to limit the independence of the media. He also began to reassert Russian influence in the former Soviet republics.

In 2014, Russia annexed Crimea from Ukraine. This was followed by a separatist war in eastern Ukraine, which has continued to this day. The annexation of Crimea and the war in eastern Ukraine have led to a sharp deterioration in relations between Russia and the West.

The current crisis in Ukraine is the latest in a long series of events that have led to the current state of affairs. To understand how we got here, we need to understand the history of Russia since the end of the Cold War.

The Increasingly Complicated Crisis Explained: How The World Arrived at What Russia is Today

The Increasingly Complicated Crisis Explained: How The World Arrived at What Russia is Today is a must-read for anyone who wants to understand

the current crisis in Ukraine and its implications for the world.

The book provides a clear and concise overview of the history of Russia since the end of the Cold War. It explains the factors that have led to the current crisis, including the rise of Vladimir Putin, the annexation of Crimea, and the war in eastern Ukraine.
