In *Trump War*, journalist Michael Wolff tells the inside story of Trump's presidency. Wolff has exclusive access to key players in the Trump administration, and he paints a vivid picture of the chaos and intrigue that have characterized Trump's time in office.

*Trump War* is a must-read for anyone who wants to understand the Trump presidency. Wolff's reporting is incisive and his writing is clear and engaging. *Trump War* is a fascinating look at one of the most consequential presidencies in American history.

## The Rise of Donald Trump

Donald Trump was born in Queens, New York, in 1946. He is the son of a wealthy real estate developer, and he followed in his father's footsteps after graduating from the Wharton School of the University of Pennsylvania.

Trump's business career was marked by both successes and failures. He built a successful real estate empire, but he also filed for bankruptcy several times. Trump also became a public figure, appearing on reality television shows and writing several books.

In 2015, Trump announced that he was running for president of the United States. His campaign was unconventional, and he made many controversial statements. However, he tapped into a vein of anger and frustration among many Americans, and he won the Republican nomination.

## **The 2016 Election**

The 2016 presidential election was one of the most divisive in American history. Trump faced off against former Secretary of State Hillary Clinton, and the race was extremely close.

Trump ultimately won the election, but he did so by a narrow margin. He lost the popular vote to Clinton, but he won the Electoral College. Trump's victory was a surprise to many, and it sent shockwaves through the American political establishment.

## **The Trump Presidency**

Trump's presidency has been marked by chaos and controversy. He has made numerous false and misleading statements, and he has attacked the media and the judiciary.

Trump has also taken a number of controversial policy positions. He has withdrawn the United States from the Paris Agreement on climate change, and he has imposed tariffs on goods from China.

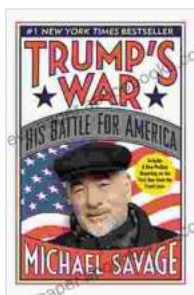

Trump's presidency has been the subject of several investigations. The House of Representatives impeached Trump in 2019 for abuse of power and obstruction of Congress, but the Senate acquitted him.

## The Future of the Trump Presidency

The future of the Trump presidency is uncertain. He is facing a number of legal challenges, and the House of Representatives is investigating whether to impeach him again.

It is possible that Trump will be removed from office, but it is also possible that he will serve out the rest of his term.

*Trump War* is a gripping account of Donald Trump's presidency. Wolff's reporting is incisive, and his writing is clear and engaging. *Trump War* is a must-read for anyone who wants to understand the Trump presidency.
