With breathtaking artwork by the talented Margit Steeger, Spawn 235 delves into the depths of Spawn's torment and resilience as he confronts the ultimate challenge. The fate of humanity hangs in the balance, and Spawn must make a choice that will forever alter the course of history.

## **The War Against Heaven**

Spawn's war against Heaven has been a long and bloody one. Spawn, once a human soldier named Al Simmons, was betrayed and murdered by his own government. His soul was sent to Hell, where he made a pact with the devil, Malebolgia, to return to Earth as a Hellspawn. Spawn has spent

years fighting against the forces of evil, but his ultimate goal has always been to defeat Heaven and its leader, God.

In Spawn 235, Spawn's war against Heaven reaches its climax. Spawn has assembled an army of Hellspawns and demons, and he is prepared to lay siege to Heaven itself. But Heaven is not without its own powerful allies. God has sent his angels to stop Spawn, and the battle that ensues will be one for the ages.

### **A Battle for the Soul of Humanity**

The war between Spawn and Heaven is not just a battle for power. It is also a battle for the soul of humanity. Spawn believes that humanity is inherently good, and he is fighting to protect them from the forces of evil. Heaven, on the other hand, believes that humanity is flawed and that they need to be saved from themselves.

The outcome of this battle will have far-reaching consequences for the future of humanity. If Spawn wins, humanity will be free to chart its own course. But if Heaven wins, humanity will be forever under the control of God.

### **The Art of Margit Steeger**
